

Costa Rica to Chile onboard the *Silver Wind* 2024 Vessel Information

Converted for expedition cruising in 2021, *Silver Wind* is now one of the most adaptable ships available with a strengthened ice-class hull, new state-of-the-art equipment for cruising in remote regions, and a fleet of Zodiacs and kayaks for on-water exploration. The recent refurbishment enhances the ship's comfort and Silversea's hallmarks of luxury. Retaining her characteristic sense of small-ship intimacy, *Silver Wind* will offer higher space ratios and exceptional crew-to-guest ratios. There is plenty of deck space for observing natural wonders and whenever possible the Captain will maneuver the ship to make the most of wildlife sightings.
