Emperor Penguins of the Bellingshausen Sea onboard *Le Commandant Charcot* 2021 Vessel Information

Le Commandant Charcot is a brand-new 500-foot hybrid electric icebreaker, the world's first luxury polar exploration vessel and first PC2-class polar cruise ship. Unlike its predecessors in the luxury realm, *Le Charcot* is capable of sailing into the very heart of the ice, on frozen waters that are usually inaccessible to ordinary ships. All this, while maintaining the greatest attention to detail in terms of comfort, safety and respect for the environment.
