

Sub-Antarctic Islands onboard the *Heritage Adventurer* 2023 Vessel Information

Heritage Adventurer is a true pioneering expedition vessel of exceptional pedigree. Often referred to as the 'Grande Dame of Polar Exploration' due to her celebrated history and refined design. She was purpose-built for adventure in 1991 in Finland and specifically designed for Polar exploration. Originally designed to accommodate 184 guests, *Heritage Adventurer* now welcomes just 140 guests ensuring spacious, stylish and comfortable voyages, while a fleet of 14 Zodiacs enables all guests to maximize their expedition adventure. Onboard, visit the captain and crew on the bridge thanks to the ship's Open Bridge Policy; dine on international gourmet fare from leading chefs across two restaurants, and celebrate the day's activities in the Bar and Lounge. Watch your adventure unfold from numerous spectacular viewing locations including the Observation Lounge, replete with 270-degree views, or the open-topped Observation Deck where you can enjoy 360-degree views from the highest point on the ship.
